The following information is all about booking our fully electric campervan. For more information on availability and pricing please get in contact and we will be happy to answer any questions.

Our Pledge to our customers

Here at We Are EV we want you to have the best experience of a fully electric camper and have made it our goal to think of everything you may need on your trip. Your holiday is important to us and we ensure that the vehicle is serviced and maintained to a high standard, it will be thoroughly cleaned and inspected before we hand it over to you.

We advise that you just bring yourselves, your clothes and your bedding as everything else you should need is included in the hire and we have paid special attention to what is appropriate to be stored safely in this particular van. Surf boards are fine but please do not bring bicycles as they are not suitable for this size of van (we hope to have options for hire bikes in the future).

Dogs can only be accommodated in our dog friendly Campervan. Small to medium dogs are welcome to sleep in the Campervan, however for large dogs the additional awning is compulsory, as there is limited space when the rear seats are in the bed position. Please also bring your own dog bedding.

Vehicle Pick Up: The van will be fully charged and ready to go for your 09:00 pick up time. If you require an earlier or later pickup then please let us know and we will do our best to accommodate.

Our vehicle handover takes around one hour. Please factor this in when planning your onward journey. We will make sure you are familiar with the vehicle and will show you how to operate the equipment (bed, pop top roof, cooking facilities etc). We will also demonstrate how to drive the vehicle and how to charge it up en-route and at your destination.

Before we release the van to you, we will go through the inventory together so you will know exactly what items are included with the vehicle and the condition of the van prior to your hire. We will take pictures of the van exterior and interior before we hand it over as a vehicle condition reference for both parties.

Full payment for the hire and also the security deposit is required before we release the van to you.

Vehicle Drop Off:

Please aim to return the van with at least 10% charge. If you think you will be on the limit of the vehicle range for your return journey, please stop and charge. Charging costs are included in your hire. We recommended that you charge sooner rather than later in case of an unexpected diversion.

Our 17:00 drop off time should allow you plenty of time to return from your holiday and charge en-route if required. If you are going to be late, please let us know as soon as possible. We have to prepare the van for the next hire and we would prefer to avoid late returns so that we can have the van prepared and ready to go the following morning for the next customer.

On return of the vehicle, we will carry out a joint appraisal of the van and go through the equipment inventory to ensure the vehicle and all supplied equipment has been returned in its pre-hire condition, with nothing missing and no damage. If you opted

for the chemical toilet then please return it to us emptied and clean. We reserve the right to charge an additional toilet cleaning fee of £20.

Late return fee: Please contact us as soon as possible if you think you will be returning after the 17:00 drop off time. We may need to extend your insurance. We reserve the right to charge a £75 late fee. If we incur any additional costs as a result of a late return, we reserve the right to pass these costs on to you. Late return fees and any additional costs incurred will be deducted from your security deposit

Booking – Following availability confirmation of your chosen hire dates, we require a £275 deposit to reserve those dates. We will send you an invoice for the total hire detailing the deposit amount and remaining hire fees. Our bank details are on the invoice. When you have transferred the deposit we will confirm receipt. Upon receipt of your deposit, we will confirm your hire booking via email. The remaining balance is due for payment 28 days prior to the hire start date. We require payment upfront in full for any bookings made less than 28 days prior to the hire start date.

Security Deposit

A security deposit of £1000 is required, payable by bank transfer. We will inspect the condition of the vehicle with you upon return.

Please let us know if there are any issues that you know of. We will also perform a more thorough vehicle inspection to check the underside of the van for any damage.

Your deposit will be retained for 7 days following the hire end date. If the vehicle is returned to us in its pre-hire condition with all the supplied equipment returned undamaged, your security deposit will be refunded to you in full via bank transfer to the account it was paid from.

The security deposit covers us for any damage to the vehicle, its fixtures and fittings, supplied equipment, and any additional cleaning costs. It will also be used for any speeding tickets, parking fines, congestion charges and any other costs incurred by We Are EV Hire Ltd.

If there is any damage or other costs incurred the amount will be deducted from the security deposit and the remaining balance will be returned to you. In the event the security deposit is insufficient to cover the cost of any damage or charges incurred, we will provide you with an itemised invoice detailing the charges. Your signature on the Hire Agreement Form confirms your agreement to pay all charges upon presentation of an invoice. In the event of a claim, we reserve the right to retain the security deposit to cover the cost of the excess or any other charges incurred. We will refund the deposit if and when our Insurers establish the incident was non-fault and when they have recovered the costs from the third party.
